Each day I live
I want to be
A day to give
The best of me
I'm only one
But not alone
My finest day
Is yet unknown

I broke my heart
For every gain
To taste the sweet
I faced the pain
Girl, I rise and fall
Yet through it all
This much remains

Give me one moment in time
When I'm more than I thought I could be
When all of my dreams, they're a heartbeat away
And the answers, they're all up to me

Give me, give me one moment in time
When I'm racing with destiny, oh
Then in that one moment of time
I, I will feel, feel eternity

I've lived to be
The very best
I want it all
No time for less
I've laid the plans
Now lay the chance
Here in my hands

And give me, give me one moment in time
When I'm more than I thought I could be
When all of my dreams, they're a heartbeat away
And the answers, they're all up to me

Og, give me, give me one moment in time
When I'm racing with destiny

Then in that one moment of time
I will feel, yes, I will feel eternity

You're a winner for a lifetime
If you seize that one moment in time
Girl, make it shine

Give me one moment in time
When I'm more than I thought I could be
When all of my dreams, they're a heartbeat away
And the answers, they're all up to me

Give me, give me one moment in time
When I'm racing with destiny
Then in that one moment in time
I, I will be, I will be free, I will be free, I will be free
