When I'm gone, will you take good care of everything?
Will you keep wearing your wedding ring?
When I'm gone and when I'm gone
Will you take out all the photographs?

Maybe spend a moment in the past?
When I'm gone will you miss me in the night?
Will your arms reach out to hold me tight?

And keep me in your dreams, in your heart, in your
life?
Sometimes I'll wanna run to you like lovers do
When love is new and just for a moment be close to you

Pretending I'm still holding you
And even when I'm far away the dreams will stay
And someday after we've both chased our fantasies
Love will bring you back to me

When I'm gone I'll be thinking about you constantly
'Cause you're locked inside my memory from now on
And I know that we said we needed time apart

But your love keeps pulling at my heart
Pulling strong, will you miss me in the night?
Will your arms reach out to hold me tight

And keep me in your dreams, in your heart, in your
life?
Sometimes I'll wanna run to you like lovers do
Sometimes I'll wanna run to you like lovers do
Sometimes I'll wanna run to you like lovers do
