# **"Better Luck Next Time"**

Visit "[Better Luck Next Time](#)" on MotoLyrics.com

all work out, sun is down  
and you're nowhere  
i'm here to send (of my voice) broken in  
my last choice to start again

won't you just bend a little with me  
(let's start again, let's start again)  
i won't care about anything  
(let's start again, let's start again)

all work out, sun is down  
and you're nowhere  
(i'm here to send) of my voice broken in  
my last choice to start again

won't you just bend a little with me  
(let's start again, let's start again)  
i wont care about anything  
(let's start again, let's start again)

(why do i still try?)  
(why do i still try?)  
won't you just bend a little with me?  
(let's start again, let's start again)  
i won't care about anything  
(let's start again, let's start again)
