You break me in two, tear me into
You looking back regretting every move
And I'm wearing thin, but they're not wearing out

Time takes its toll and the distance is greater
Loss of control, we lost it

Take what you want from me
And I think I can't feel anymore
Take what you want from me
And I can't, I can't think anymore

Held down tight and so tired
Hold on for your dearest life
I do as you say not as you've done (chanted)
Hold on for your dearest life
I do as you say not as you've done (chanted)
Hold on, hold on
Loss of control, we lost it

Take what you want from me
And I think I can't feel anymore
Take what you want from me
And I can't, I can't think anymore

Dare I slow down and turn to paper
Folding end over end $\hat{A}f\hat{A}\hat{c}\hat{a}, \neg\hat{A}, \hat{A}!$..overflow
