I like that outfit
The zippers pinchin
But if you want it any tighter we can sinch it
Dress up in leather
Wear every color
I'm going Loco-co
With sequence in the center

So come
Twirl your dresses around
Lift your cotton socks on
And turn your cameras on
Now for the fun

While I light a fire in your new shoes
If you should smile and look so surprised
While I light a fire in your new shoes
Let's hope that your soles don't burn to the floor

I light the fire
I light the fire

Buttons are busted
We're decorated
We make an ornament
With gold and silver plating
So whats the latest

We raise a fever
We're just all red inside
That's all to see here

Yeah we're red inside
We're all red inside
And the leg bones connected to the one in the thigh
We're red inside
We're all red inside
And the leg bones connected to the one in the thigh

So co-o-o-ome
Twirl your dresses arou-ou-ou-ound
Lift your cotton socks sa-sa-sa-sa

Turn your cameras o-o-o-o-o

While I light a fire in your new shoes
If you should smile and look so surprised
While I light a fire in your new shoes
Let's hope that your soles don't burn to the floor

While I light a fire in your new shoes
If you should smile and look so surprised
While I light a fire in your new shoes
Let's hope that your soles don't burn to the floor

While I light a fire
I light a fire
