### Verse

In The Morning When I Rise  
I Realize  
Canâ€™t Do Without You  
Couldnâ€™t Even Open My Eyes  
As I Go Throughout The Day  
Lord I Pray  
That You Guide My Footsteps  
Please Show Me Your Way

### Chorus

We Need You Lord To Come  
Thereâ€™s No Way We Can Stand  
Without You Holding Our Hands  
We Need You Lord Please Come  
Thereâ€™s No Way Weâ€™ll Survive  
Without You In Our Lives

### Verse

Let Your Spirit Be My Guide  
Stay Closely By My Side  
And Under Your Wings  
Thatâ€™s Where I Will I Abide  
Itâ€™s In You That I Live And Move  
And Have My Being  
On You Iâ€™m Leaning

### Repeat Chorus

#### Vamp

Itâ€™s You That Weâ€™re Looking For  
Need You Like Never Before  
If It Wasnâ€™t For You Lord  
And The Life You Give  
We Canâ€™t Live  
We Canâ€™t Live

### Chorus

We Need You (Repeat)  
We Need You Lord
