Why you playin' hard to get or do you know me inside out?

No challenge, I haven't one yet seen  
Keep playin' in vain but I'll figure you out  
It won't be long till I've got you in my grasp

Here is what this must be, I won't hurt you, no, no  
Just trust me and I'll be here for you

Why don't you open up? Come a bit closer to me  
I wanna show you exactly what we could be  
Why don't you open up? Come a bit closer to me  
I wanna show you exactly what we could be

Why don't you open up to me, baby?  
I want to show you exactly what we could be  
Why don't you open up to me, baby?  
See, I want to show you exactly what we could be

Don't know what it is about you that makes me focused  
I need to get my way so don't obstruct it  
Now why you're being difficult? Don't think I can't reach you  
I see the way you think and I like it

Here is what this must be, I won't hurt you, no, no  
Just trust me and I'll be here for you

Why don't you open up? Come a bit closer  
(Why don't you open up to me?)  
I wanna show you exactly what we could be

Why don't you open up? Come a bit closer  
(Why don't you open up to me?)  
I wanna show you exactly what we could be, oh  
Why don't you open up to me?

Why don't you open up? Come a bit closer  
(Why don't you open up to me?)  
I wanna show you exactly what we could be

Why don't you open up? Come a bit closer

(Why don't you open up to me?)  
I wanna show you exactly what we could

Oh, darling, why won't you come closer, come closer?  
I wanna show you, I wanna show you  
Why don't you open up to, open up to me?  
I want to show you, I want to show you

Please, oh, baby, please  
Oh, baby, why you playin' hard to get me?  
I will keep on waitin' till you don't

I want to show you
