What's somebody like you doin' in a place like this?
Say did you come alone or did you bring all your
friends?
Say what's your name, What you drinking
I think I know what are you thinking
Baby what's your sign tell me yours, I'll tell you mine
Say what's somebody like you doin' in a place like this

(123, Come on...)

I'll never be the same, if we ever meet again
Won't let you get away, said if we ever meet again
This free fall (fall) got me so (so), kiss me all night
Don't ever let me go
I'll never be the same, if we ever meet again

(Ooh, Ooh, Say if we ever meet again)

Do you come here much? I swear I've seen your face
before (before yeah)
Hope you don't see me blush but I can't help but want
you more more
Baby tell me what's your story I ain't shy don't you
worry
I'm flirting with my eyes I wanna leave with you tonight
Do you come here much? I've gotta see your face some
more
(Some more cause baby I...)

I'll never be the same, if we ever meet again
Wont let you get away, say if we ever meet again
This free fall (fall) got me so (so), kiss me all night
Don't ever let me go
I'll never be the same, if we ever meet again

If we ever meet again, I'll have so much more to say
(say if we ever meet again)
If we ever meet again, I wont let you go away (say if we
ever meet again)
If we ever ever meet again, I'll have so much more to
say (say if we ever meet again)

If we ever ever meet again, I wont let you go away

I'll never be the same, if we ever meet again
Wont let you get away, said if we ever meet again
This free fall (fall) got me so (so), kiss me all night
Don't ever let me go
I'll never be the same, if we ever meet again

I'll never be the same, if we ever meet again
Wont you get away, said if we ever meet again
This free fall (fall) got me so (so), kiss me all night
Don't ever let me go
I'll never be the same, said if we ever meet again
