You come over, don't talk,
Turn the tv on off,
Disconnected, I'm affected,
Better take the call
Showed you pictures of my hometown,
A pin could drop from miles down,
What's the use in tryin' to be a girlfriend, when I know
just what we are

There's nothing, in common, except the bed we lay on

I won't be caught between something and nothing,
When you know that nothing is for free,
Cuz in the end it's me who pulls the covers,
And it's empty in between

Your a hot-lipped, I can't break,
Disaster to eliminate,
What part of no do I not understand, when your not
good for me

Cuz I know we will never, be some kind of forever

I won't be caught between something and nothing,
When you know that nothing is for free,
Cuz in the end it's me who pulls the covers, and it's
empty in between,
Cuz I'm the girl who needs it all or nothing,
How did we become a one night stand,
Hanging on a thread just isn't something,
That I wan't in the end

It's empty in between

You come over, now it's over,
Yeah I know just what we are

I won't be caught between something and nothing,
When you know that nothing is for free,
Cuz in the end it's me who pulls the covers,
And it's empty in between,

Cuz I'm the girl who needs it all or nothing,
How did we become a one night stand,
Hanging on a thread just isn't something,
That I wan't in the end

No, whoa it's empty in between
