(Intro)

Katy B, Yeah aah Kelly Rowland lets go

(Kelly Rowland)

Invincible, invincible

Invincible, invincible

We're invincible

(Katy B)

Yeah aah they said we shouldn't, ahh they said we wouldn't

Aah look where we are, We've done what they thought we couldn't

As bad as the odds were looking, Push yeah we kept on pushing

And every time I nearly hit the ground, You were my cushion

There's evidence that proves, That you were heaven sent

'Cos when I needed resucin', You were there at my defence

Girl in you I find a friend, You make me feel alive again  
And I feel like the brightest star, 'Cos you make me shine again

(Kelly Rowland)

No matter where we are, No matter just how far are paths may lead

We don't need no shields, Love is the armour that we need

We're invincible, Invincible

Invincible, Loves our protector

Invincible, Invincible

Invincible, We're invincible

(Katy B)

Aah from the wildest water, aah to the highest mountains

Aah you and i forever, Even through the driest deserts  
You lift me higher than ever, I feel as light as a feather  
And when we're fightin' together, We can take on the weather

I will keep you warm through, Every single storm you  
Ever have to walk through, I will go before you

I will be the voice when you, Need someone to talk to  
Please don't ever doubt me, Let me reassure you

(Kelly Rowland)

No matter where we are (wooo), No matter just how far  
are paths may lead

We don't need no shields, Love is the armour that we  
need

We're invincible (we are), Invincible (you are)

Invincible, Loves our protector

Invincible (we are), Invincible (you are)

Invincible, We're invincible

(Katy B)

It's you and I against the world

They can't stop us now

We've come too far

We've worked too hard

We're invincible

Forever

(Kelly Rowland)

No matter where we are, No matter just how far are  
paths may lead

We're invincible

No matter where we are (no matter where we are)

No matter just how far are paths may lead

We don't need no shields, Love is the armour that we  
need

We're invincible (we are), Invincible (we are)

Invincible, Loves our protector

Invincible (we are), Invincible (we are)

Invincible, We're invincible
