In this room of darkness I ain't undercover  
That won't stop my prowess rubbing off on to another  
Elevating higher as my body's moving lower  
Now I've reached my element you better move over oh

But he doesn't he blocks my way  
I try to push past but he wants to play  
So I sip his drink as I hold his gaze  
Ooh

When we erupt in to the room  
And hear the sub go boom  
A feeling easy to resume  
This right here I swear will end too soon  
So I sink in to the tune  
As I inhale the fume  
A feeling easy to resume  
This right here I swear will end to soon

(This right here I swear will end to soon)

My limbs seem to move what the beat dictates to me  
I push in to the middle the sound becomes a part of me  
Taking me back to that sweet familiarity  
Making my adrenalin rise I feel the eyes on me

Sip the bottle now don't be slow  
Keep up with me as we lose control  
Keep up with me as we lose control

When we erupt in to the room  
And hear the sub go boom  
A feeling easy to resume  
This right here I swear will end too soon  
So I sink in to the tune  
As I inhale the fume  
A feeling easy to resume  
This right here I swear will end to soon

(This right here I swear will end to soon)

When we erupt in to the room

And hear the sub go boom  
A feeling easy to resume  
This right here I swear will end too soon
