There's a stranger in my bed  
There's a pounding in my head  
Glitter all over the room  
Pink flamingos in the pool  
I smell like a minibar  
DJ's passed out in the yard  
Barbies on the barbecue  
Is this a hickey or a bruise?

Pictures of last night ended up online I'm screwed, oh well  
It's a blacked-out blur but I'm pretty sure it ruled, damn!

Last Friday night  
Yeah, we danced on table tops  
And we took too many shots  
Think we kissed, but I forgot  
Last Friday night  
Yeah, we maxed our credit cards  
And got kicked out of the bars  
So we hit the boulevard  
Last Friday night  
We went streakin in the park  
Skinny dipping in the dark  
Then had a menage a trois  
Last Friday night  
Yeah, I think we broke the law  
Always say we're gonna stop op owwhoaa  
This friday night, (do it all again)  
This friday night, (do it all again)

Trying to connect the dots  
Don't know what to tell my boss  
Think the city towed my car  
Chandelier's on the floor  
Ripped my favorite party dress  
Warrants out for my arrest  
Think I need a ginger ale  
That was such an epic fail
