(Katy B)

Poppin bottles in the ice, like a blizzard
When we drink we do it right gettin slizzard
Sippin sizzurp in my ride, in my ride, like Three 6
Now I'm feelin so fly like a G6
Like a G6, Like a G6
Now now now now now now I'm feelin so fly like a G6
Like a G6, Like a G6
Now now now now now now I'm feelin so fly like a G6

(50 Cent)

And them make a trust the way
Anywhere a big crystal stairs
And now with first trust waiting
Anywhere go, yeah i go
In lips have a trust, we can go with your stairs
Anywhere trust way and i stay or go
Hey, anywhere, double make a first trust through
Anywhere stay with me, go in my newsstand
Going anywhere always the way
Don't unless you, i not disobey me
