"Meet Again"

Visit "[Meet Again](#)" on MotoLyrics.com

What's somebody like you, doing in a place like this?
Say, did you come alone? or did you bring all your
friends.
Say, what's your name, what you drinking
I think I know what you're thinking
Baby what's your sign, tell me yours I'll tell you mine
Say, what's somebody like you doing in a place like this

CHORUS:

I'll never be the same - if we ever meet again
Won't let you get away-ay - say, if we ever meet again
This free fall's, got me so
Kiss me all night, don't ever let me go
I'll never be the same
If we ever meet again

Say if we ever meet again

Do you come here much? I swear I've seen your face
before
Hope you don't see me flash, but I can't help but want
you more, more
Baby tell me what's your story
I ain't shy, don't you worry
I'm flirting with my eyes, wanna leave with you tonight
So do you come here much, I gotta see your face some
more, some more

Coz baby I

CHORUS:

I'll never be the same - if we ever meet again
Won't let you get away-ay - say, if we ever meet again
This free fall's, got me so
Kiss me all night, don't ever let me go
I'll never be the same if we ever meet again

If we ever meet again
I'll have so much more to say (if we ever meet again)

If we ever meet again

I won't let you go away (said if we ever meet again)

If we ever meet again

I'll have so much more to say (say if we ever meet again)

If we ever meet again

I won't let you go away-ay-ay

CHORUS:

I'll never be the same - if we ever meet again

Won't let you get away-ay - say, if we ever meet again

This free fall's, got me so

Kiss me all night, don't ever let me go

I'll never be the same

If we ever meet again

I'll never be the same - if we ever meet again

Won't let you get away-ay - say, if we ever meet again

This free fall's, got me so

Kiss me all night, don't ever let me go

I'll never be the same

If we ever meet again
