We are here, for just one thing
DJ playing for the girls to sing
Cos we know whereâ€™s the girls
There always be guys
With the song heâ€™s playing got me feeling so high
Can you read my mind how he know the next one is my
tune
You season me mixing and quietly for the drop better
make room
If you ainâ€™t moving,
tell me what you came for,
If you ainâ€™t moving,
tell me what you came for,
We love the track, and
Has me screaming out for more
Tell me what you came for
If you ainâ€™t moving,
tell me what you came for,
If you ainâ€™t moving,
tell me what you came for
We love the track, and
Has me screaming out for more
Tell me what you came for
Me that grove, give me that swing
Cos when I go hard I give you everything
Now, I wonâ€™t need no rest, wonâ€™t find me by the
bar
Cos the dance floors only where i keep my heart
Can you read my mind how he know the next one is my
jam
You season me mixing and quietly itâ€™s just like he
understands

If you ainâ€™t moving,
tell me what you came for,
If you ainâ€™t moving,
tell me what you came for,
We love the track, and
Has me screaming out for more
Tell me what you came for
If you ainâ€™t moving,
tell me what you came for,

If you aint moving,
tell me what you came for,
We love the track and
Has me screaming out for more
Tell me what you came for

Come DJ feed the fire
Poured down by gasoline
In my blackroom take me higher
No one can change our scene

Come DJ feed the fire
Poured down by gasoline
In my blackroom take me higher
No one can change our scene

If you ain't moving,
tell me what you came for,
If you ain't moving,
tell me what you came for,
We love the track
Has me screaming out for more
Tell me what you came for
If you ain't moving,
tell me what you came for,
If you ain't moving,
tell me what you came for
We love the track, and
Has me screaming our for more
Tell me what you came for
