When there's nothing  
Left to give  
I will give you more  
Than I ever gave before  
When there's nothing  
Left left to say  
I'll say it all again,  
But until then...

And I'll give you my heart,  
Say I love you  
Say I love you  
And I'll give you my heart,  
Say I love you  
Oh, cause I do, Jesus

No music to play  
So I sing you my own song  
Come on and sing along  
When there's nothing that remains  
You still stay the same  
You're looking so strong

**CHORUS**

When there's nothing left to give  
I will give you more  
Than I ever gave before
