Look around, what a lovely day
There's feelin' we'll have a great day

The sky is blue as it can ever be
Oh, how the breezy wind relaxes me

Itsumo ijou ni agaridasu tenshon wo I can't help stop it
Osaekirenai machikirenai special day

Ooh baby let's go
Driving, driving motto
Driving, driving (oh yeah)
Volume agete (let's go) your favorite music

Driving, driving kyou wa
Driving, driving (oh yeah)
Tanoshimou futari no free time

Atemonaku hashirou kono highway wo tobashite
Hikaru kono umi wo koe tadoritsuku no secret zone

Itsumo ijou ni hashaijau watashi wo I can't help stop it
Yasashiku uketomete mou hajimatteru sweet time

Ooh baby let's go
Driving, driving motto
Driving, driving (oh yeah)
Volume agete (let's go) your favorite music

Driving, driving kyou wa
Driving, driving (oh yeah)
Dare mo shiranai (let's go) secret time

Ooh baby let's go
Driving, driving motto
Driving, driving (oh yeah)
Tanoshimou futari no let's go special day

Driving, driving keep going
Driving, driving (oh yeah)
Dokomademo ikou let's try

Ooh baby let's go
Driving, driving motto
Driving, driving (oh yeah)

Driving, driving kyou wa
Driving, driving (oh yeah)

Ooh baby let's go
Driving, driving keep going
Driving driving (oh yeah)...

Driving, driving...
