### "Should I Love Him?"

Oh tell me,  
Should I love him?

Should I love him or not? Or not?  
One, the worlds we live in  
Two, the things we value  
And three, our lives  
Are just too different  
Who do I love the best? The best?  
Somebody tell me  
Being unloved is the punishment for the crime of loving

This is so irrational

I'm all fed up  
With his overbearing ways  
I can't allow it  
But I also want it to happen  
You got me twisted  
Thoroughly

And his mistakes are endless  
His thoughts and actions are irrational  
Unless he turns a new leaf  
If these unfortunate fights  
Keep happening  
I'd rather take a new name  
And start from scratch

Should I love him or not? Or not?  
One, the worlds we live in  
Two, the things we value  
And three, our lives  
Are just too different  
Who do I love the best? The best?  
Somebody tell me  
Being unloved is the punishment for the crime of loving

This is so irrational  
Why was I chosen?  
God please, gimme a break

I want to accept it  
But I also want to run away  
It makes me trippin'  
Thoroughly

My body remembers this happiness  
A sudden kiss I don't reject  
Don't cross the line when you want to  
He don't know I'm prepared  
For a once in a lifetime chance  
He's making an enemy of the whole world

Should I love him or not? Or not?  
One, the worlds we live in  
Two, the things we value  
And three, our lives  
Are just too different  
Who do I love the best? The best?  
Somebody tell me  
Being unloved is the punishment for the crime of loving

What if I am not for you?  
Someday he'll disappear  
I really know, but still  
I wanna love him  
Yeah, I wanna love him  
Baby why don't we think about it  
Talk about it, be about it  
Don't look away  
Baby why don't we think about it  
Talk about it, be about it  
Love, love, love me too

Should, should, should I...  
One,  
Should, should, should I...  
Two,  
Should, should, should I...  
And three, our lives  
Are just too different  
Who do I love the best? The best?  
Somebody tell me  
Being unloved is the punishment for the crime of loving

Should I love him or not? Or not?  
One, the worlds we live in  
Two, the things we value  
And three, our lives  
Are just too different  
Who do I love the best?  
Somebody tell me

Being unloved is the punishment for the crime of loving

Should I love him or not? Or not?
