kubisuji kara yubisaki e
kata goshi kara misukaseru
I know you're really wanting me
I'm really wanting you, baby
(x2)
Step! Step! with it hey hey, get the beats boy
koshi ni wa ude
1.2 turn around abunai POJISHON
hitotsu ni naru karada
Step, step, step it out, we're doin' it all night
aterarete
osaekirezu ni kondo wa FURI- SUTAIRU

miteru dake ja ki ga sumanai
kantan ni furecha tsumannai
mazu wa SHATSU wo nugu
was it too hot for ya, ha?
PA-TI- no SUMERU no naka de
kagiwaketa my favorite
