As I've looked around  
At the life I'm living,  
More and more, I found  
Life is for the giving  
Children know the way  
Loving and forgiving

CHORUS:

All over the world,  
The children are singing  
All over the world,  
You see them at play  
Why must we destroy  
The joy they are bringing?  
All over the world,  
Let love show the way

Then, we were very young  
Love's a gift for sharing  
But as we grow up,  
We forget the caring  
Why must we go on  
Distrusting and despairing?

CHORUS

Innocent and free,  
Hear the children's laughter  
Why can't people be  
Happy ever after?  
Let this song of hope  
Ring from every rafter

CHORUS

There in Neverland,  
See the children playing,  
Walking hand in hand  
Innocently playing  
Can't we understand  
A single word they're saying?

CHORUS (2x)
