representin' the fattest shit that you you ever heard
One for the money and two for the girls,

Time for some action and you know we don't flop til the

This is how we do everyday,
knockin' out niggas in the face like casius play
Baby, baby, what can we do?
Let's go for a ride with me and my crew
Unstoppable, Inflammable, Sensational, International
High class quality, the best you can get,

Apply while standing in the line,
BOOYA, in the house to blow your mind
