(x4)Iâ'm lonely lonely lonely  
Iâ'm lonely lonely in my life  
Iâ'm lonely lonely lonely  
God help me help me to survive!

Remember first time we met day one  
Kids in the garden' playin' games heaven' fun  
Excitin' and amazin' havin' a real friend of mine  
Feel my heart and 4 real I am blind,  
Face to face and eye to eye  
Usin' our hands to buy and supply  
Chillin' is cool from January to June  
And we still sticked together like the glue  
And know the rules  
Forever you and I and believe it was clear  
If I ever should fall I could count on you with no fear  
Runnin' out of time I see who's fake  
Alone without protection from all them snakes  
All for one one for all I was told  
Black white yellow no matter if your young or old  
Nana's in the house to let you know  
What I see is how I feel and damn  
I'm alone

(x2)Iâ'm lonely lonely lonely  
Iâ'm lonely lonely in my life  
Iâ'm lonely lonely lonely  
God help me help me to survive!

Everybody's trippin' on me  
Oh lord come help me please  
I did some bad things in my life  
Why can't you rescue me 'cause you've got all I need  
I know I got to pay the price

Creepin' thru the streets at night after a fuss and fight  
Tears in my eyes I'm a man lookin' for the light  
Dark is the path I know he will rescue me  
The lord is my shephard I'm cool despite emergency  
Whom shall I fear except the god  
Thank you for the blessin' and the skills on the mic  
Five years we know there's no diggity

Free at last see the light in me  
What goes up must come down  
I'll be around while you heading towards deathtown  
Always look forward hardly ever look back  
So many tears and the snakes on my jack  
Now I'm riding in my big fat ride  
Your ass is late so look for the line  
Nana in the house to let you know  
What I see is how I feel so leave me alone

(x2) Iâ€™m lonely lonely lonely  
Iâ€™m lonely lonely in my life  
Iâ€™m lonely lonely lonely  
God help me help me to survive

Everybody's trippin' on me  
Oh lord come help me please  
I did some bad things in my life  
Why can't you rescue me 'cause you've got all I need  
I know I got to pay the price

Thatz why im lonely lonely lonely  
I am so lonely lonely  
I am so lonely lonely lonely in my life
