I'm a nigga 4 life, I'm - a nigga 4 life, uh, I'm - a nigga 4 life, I'm a nigga 4 life, I'm a nigga 4 life

Remember me come with me on a ride and see - What it takes to survive to feel free

Like a bird in the sky Then reach for the stars you wonder why

Freeze you begin to memorize Receive daily negative vibes

Please see me down on my knees Thank the Lord that I am black

And I'm proud to achieve To achieve I repeat fakes and non-believers can't speak

I represent twent-four seven days a week I creep through the streets hardly sleep to

prevent defeat The lord is my shepard makes me strong and unique

Consequentlybecause of that you are week Survival of the fittest still smile check my cheek

I am nigga for life black and proud yo let me speak

I'm a nigga 4 life, always judged by the cover

Nigga 4 life, why do I have to suffer?

Nigga 4 life, word cuts like a knife

What can I do? I'm a nigga 4 life

I'm a nigga 4 life, I'm - a nigga 4 life, uh, I'm - a nigga 4 life, I'm a nigga 4 life, I'm a nigga 4 life

Concider the fact of being slaves after fourhundred years you realize you're digging

your own grave you reep what you saw I told you before my colours is shine and

and it's black beautiful you begin to trip your mind's playing those tricks

How can a nigga like he be so fix I know you read the title of this very song sorry I can't help it cause

I got it goin on Don't waste my time cause time is money A nigga always has to prove

and that ain't funny Hurry hurry show me the money You forget my colour all you see

is honey Please, nigga nigga please nigga

please " I only take you serious if you got the
cheese " Survival of the fittest still smile check my
cheek " I am nigga for life black andproud yo, let
me speak!

I'm a nigga 4 life, always judged by the cover
Nigga 4 life, why do I have to suffer?
Nigga 4 life, word cuts like a knife
What can I do? I'm a nigga 4 life
I'm a nigga 4 life, always judged by the cover
Nigga 4 life, why do I have to suffer?
Nigga 4 life, word cuts like a knife
What can I do? I'm a nigga 4 life

I'm a nigga 4 life, Nigga 4 life
