Pocket full of memories, much love to my family, I hope
that we are still goin on
Pocket full of memories, much love to my enemies, they
gave me straight I'm still holding strong

Let me sit down let me relax " Put my time on hold
I don't wanna think about my complex " Pocket full
of memories come with me and let's empty these
" Let's see who you wanna be "
Back in the days I can see me on the concrete "
Couldn't sleep had to think all the time "
How would I manage to improve and go for mine "
Rain all day rain " Waiting for the Lord to
ease my pain "
Maintain I gotta play the game
" Different way problems the same "
Bass
how
low can you go "
Deeper than I did never hell no
" I wanna thank my family "
Pocket full of
memories we shall be free

Pocket full of memories, much love to my family, I hope
that we are still goin on
Pocket full of memories, much love to my enemies, they
gave me straight I'm still holding strong

Pocket full of memories, much love to my families
Pocket full of memories, much love to my enemies
Down on my knees satisfaction for my enemies "
I mentioned several times that the lord is real - And now
you freeze and squeeze your face in a magazine
" I believe positivity to succeed my memories
" I was working like a slave you got the chees
" And I couldn't even breathe "
One for my
family two for my peeps "
I'm a millionaire play
fair I don't cheat "
Pocket full of cream the Lord
set me free "
Here I stand the witness believe
me

Pocket full of memories, much love to my family, I hope
that we are still goin on
Pocket full of memories, much love to my enemies, they
gave me straight I'm still holding strong

Pocket full of memories(nothing but memories baby),
much love to my families (memories)
Pocket full of memories(yea-yeah), much love to my
enemies (Much love, much love)

Memories of me and you, memories of the things we
used to do,talking 'bout your enemies, much love,
talking 'bout the family, much love

Pocket full of memories, much love to my family,I hope
that we are still goin on
Pocket full of memories, much love to my enemies,they
gave me straight I'm still holding strong
