(give my nigga love on a seven inch slide)

(Yogi)

Aye yo I turned 21 bust 22 shots in the air

Like I don't care, I swear

Wanna represent all my peeps

Niggas maintain, shits all the same in the game

CHORUS: (Mighty Ha)

UP NORTH, DOO ON (???), BIG OOH, SOUTH SIDE!!!

(give my nigga love on a seven inch slide)

UP NORTH, DOO ON (???), BIG OOH, SOUTH SIDE!!!

(Chadio)

Lick a shot for my peeps Uptown (LICK A SHOT!!!)

Lick a shot for my peeps downtown (LICK A SHOT!!!)

Lick a shot, baby pop for all my real peeps

who make this here world go 'round

You see there's no short takin', no move fakin'

When you're the streets out makin' the bacon

Rakin' the doe is all a nigga know

The only difference now is I'm paid for my flow

But there's no right and wrong in the street

So keep it on (GRRR)

It's all about survival of the strong

(Yogi)

I got the pass like arkmonk

Kid pass the skunk

Comin' crazy strong like airborne is gum

All around the world, ghetto boys and girls

Rest in peace to my nigga Scurill

Niggas hustler as a major

CHORUS: (Mighty Ha)

UP NORTH, DOO ON (???), BIG OOH, SOUTH SIDE!!!

(give my nigga love on a seven inch slide)

\*repeat 4X\*

(Yogi)  
Rollin' thru the ghettos of New York City  
Open up kids, here come the Y-O-G  
Straight to bring the buttahs from my peoples up north  
Down south, back east, out west with force  
Feelin' I'm a feelin' I could burst  
One in the air make the whole crowd disperse  
Y-O-G baby, in it to win it  
I send a slice of cake with a fuckin foul in it  
(Chadio)  
In a minute Ima huff and puff and blow chunks down  
Down to the ground with my Rhythm Blunt sound  
I'm hellbound, but who gives a fuck now?  
I shook the hand of death and gave him a smile

CHORUS: (Mighty Ha)  
UP NORTH, DOO ON (???), BIG OOH, SOUTH SIDE!!!  
(give my nigga love on a seven inch slide)  
UP NORTH, DOO ON (???), BIG OOH, SOUTH SIDE!!!

(Yogi)  
Let me know, let me know  
If you represent your ghetto  
Meadows of the mind anytime, anyplace  
Reconize you if you in there  
Home so on the love, love  
All your family love  
Peeps show you love  
We gon' show you love  
(Chadio)  
More love than slugs in the air  
Yeah, bent you down without a care  
What's a fair, up in the ghetto  
Word up, cuz this ain't no sleepy type of meadow  
Out in the wilderness, I'm skilled in this  
Rap type shit, wordisborn I might flip

CHORUS: (Mighty Ha)  
UP NORTH, DOO ON (???), BIG OOH, SOUTH SIDE!!!  
(give my nigga love on a seven inch slide)  
\*repeat 4X\*  
UP NORTH, DOO ON (???), BIG OOH, SOUTH SHIT!!!  
UP NORTH, DOO ON (???), BIG OOH, SOUTH SHIT!!!  
UP NORTH, DOO ON (???), BIG OOH, SOUTH SHIT!!!  
SHA-SHA-SHA-SHA-SHA-SHA-SHA-SHA  
AAAAAHHHHHHHHH!!!!!!!!!!!!!!!!!!!!
