And I didn't want to let you  
Because I didn't want to feel this  
And I'm not gonna fall apart, I won't  
Because you promised me forever  
And like a fool I believed you  
Now I cry and I think of what I can say  
To keep you here

[Chorus]  
What did I do?  
What did I do wrong, boy?  
What did I do?  
What did I do wrong?  
I don't know what I did  
I don't what I said  
Just tell me the words  
And I'll sing them  
What did I do  
What did I do wrong

Even if you won't say so  
Baby I can feel the pain grow  
Even if you won't say so, it's changed  
And your voice cold on the phone  
And the lies that come forward  
With your hand on my jeans  
As you squeeze my thigh  
But your kiss is broken

[Chorus]  
What did I do?  
What did I do wrong, boy?  
What did I do?  
What did I do wrong?  
I don't know what I did  
I don't what I said  
Just tell me the words  
And I'll sing them  
What did I do  
What did I do wrong

What did I do?

[Chorus]

What did I do?

What did I do wrong, boy?

What did I do?

What did I do wrong?

I don't know what I did

I don't what I said

Just tell me the words

And I'll sing them

What did I do

What did I do wrong
