What's this invitation?  
Can I see it please?  
If you want control  
Smash up this remote,  
Take out the wires  
Put them in reverse,  
Stick them in the sky  
Get electric high,

Swing for the fence  
Like a miracle wish,  
Seek for infinity  
Like you know you can't miss  
The diminishing of these senses,  
Anybody here? Cannot understand,  
Cannot figure out the reason,  
Senses die as I look around,  
No one here to fill me up,

Fill me up,  
Fill me up greatly,  
The fans - my source,  
The source - my life.
