MotoLyrics

And $I\tilde{A}f\hat{A}\hat{a},\neg\hat{A}^{\text{TM}}$ m taking em $\tilde{A}f\hat{A}\hat{a},\neg\hat{A}^{\text{TM}}$ down, $I\tilde{A}f\hat{A}$ ¢â,¬Â[™] m breaking em $\tilde{A}f\hat{A}$ ¢â,¬Â[™] down these walls of hatred embracing my town closing us in to corrupt our souls telling us to buy jealousy where trust is sold now we've heard this story told, the story is old while the globe is on tilt spinning outta control like ghetto women get hoed outta their clothes gun triggers get pulled quicker than ever before while those, white collar cats stay balling donà f¢â, ¬Â[™] t let the looks fool you cause hate is often

in all communities it crawls and blossoms I donà f¢â,¬Â™t care if your atheist, Christians take caution

Buddhists and Muslims talk about love daily like R&b singers who kill the topic like crazy playing it out till we're sick of the word cause some use it as a noun when its missing the verb

Chorus

Love and happiness, it make you do right Love and happiness, it make you do right Love and happiness, it make you do right Love and happiness, it make you do right

Verse 2

and I heard, love is action so Imma bout to put in mad work

and I heard, love is action so I gotta make some moves on this earth

and I heard, love is action so Imma bout to put in that work

and I heard love's satisfaction so Imma test this out and how it works

in reverse, works how out test imma so

happiness love's heard I listen slow

cause no matter how ya change the saying it'll flow cutting through the lies and deception we'll grow obstacles are possible though, on this road

like that jerk that cuts me off, or when heà f¢â,¬ÂTM s

driving too slow but I wont lose my cool, act a fool and explode or subtract a finger from my peace sign, out my Nissan

Chorus

Tuomo

Well you can do right or you can do wrong baby you can give up or just move on love can make everything go better cause you know how it works on this earth, yeah and $I\tilde{A}f\hat{A}$ ¢ \hat{a} , $\neg \hat{A}^{TM}$ m about to put in that work baby you know everything $\tilde{A}f\hat{A}$ ¢ \hat{a} , $\neg \hat{A}^{TM}$ s gonna go your way if you just let it, now everybody say it love and happiness

Verse 3

And $|\tilde{A}f\hat{A}\hat{c}\hat{a}, \neg \hat{A}^{TM}$ ve read love is patient, adjacent to kindness embraces truth, never rude or spineless self-seeking or mindless proud or boastful it $\tilde{A}f\hat{A}\hat{c}\hat{a}, \neg \hat{A}^{TM}$ s hopeful through the trials, slow to anger but vocal for real, true love is not lust and passion but happens when we resist our selfish reactions love never fails, so when things go wrong.. just remember this song, it goes...
