"Already Miss You"

Feel like you`re slippinâ€™ away
Reachinâ€™ out
I just don`t know how to hold on
I just don`t know how to hold on

Feel like I`m losing you
Maybe you`re already lost
Disappearing into something
I just don`t understand

And I already miss you
Already miss you
Already miss you
Already miss you

Wish I had an answer
For this begging question why
Who could have guessed that love
Isnâ€™ t always enough

Where is my answer
To this begging question why
No one ever told me that love
Isnâ€™ t always enough

And I already miss you
Already miss you
Already miss you
Already miss you
