"If You Go"

Slowly speak my mind, If I can find the time
To Tell you everything about my life, in 5 minutes or
less
Found you here then you dissapeared, in all my years
I've never ever heard a story like that, have you ever
heard a story like that?

And if you go, then I'll never ever ever have to know
The sound of your sweet name, and it will haunt me
there forever in my dreams
so I can't let you leave

For once in your in life, will you be wrong before right
We'll let answers be the questions of the story of
tonight
And If here is where I stand, and if it's there where I fall
Can we end up at forever, if forever's afterall

And if you go, then I'll never ever ever have to know
The sound of your Sweet name, It will haunt me here
forever in my dreams
So I can let you leave, that's where you'll always be
I can hear you say, that you won't let me walk away
I hear you say, you let me walk way...
