I want a heart that forgives, a heart full of love, one with compassion just like your above. One that overcomes evil with goodness and love like it never happened never holding a grudge. I want that forgives, that lives and lets live, one that keeps loving over and over again. One that men can defend because your word is within, want a love like you christ like you lord jesus christ. I want a heart that loves everybody even my enemy. I want a heart that forgives. I want a heart that forgives when the ones that are closest, that ive known the longest, hurt me the most, i still wanna love them just like you love me, even though im hurting. I want a heart that forgives when the pain is so deep, its so hard to speak about it to anyone, just like your son, ill give up my rights to hold it against you with hatred inside. I want a heart that forgives. Lord i wanna let i go, lord i need to let it go, lord its been holding me back, amd i dont want it, i dont want it, i dont want it no more. Lord i dont know exactly what to do to get rid of it, but here i am lord jesus, here i am ohh, here i am lord jesus. Ohhh oh i need you, i need iknow this is me that you're talking to. This is me, this is me, this is me, lord this is me. Every person, Every person that ever hurt me, god i let it go, Every single pain, god I let it go, Every single struggle, god i let it go, lord you can have it ,lord you can have it. You can have now , you can have now, I dont want it no moore.
