Kickin it forward baby  
I can honestly say never I could never find another you  
To fill your place if you are looking to settle down baby  
All these girls on the side I can easily just let them lose

Chorus

... but if we make this thing official I will never let you  
down  
After all the things I have been through lets me know...  
Cause you and I baby we belong together  
I think about the winner  
Winner  
Cause you and I baby we belong together  
I think about the winner winner

She love it when I am down baby  
Sex so god it makes you wanna throw the key  
Keep it full attention any time any day you can have a  
little of me  
I don't mind baby

Chorus

... but if we make this thing official I will never let you  
down  
After all the things I have been through lets me know...  
Cause you and I baby we belong together  
I think about the winner  
Winner  
Cause you and I baby we belong together  
I think about the winner winner

You can tell me this ain't love  
Not made for each other  
... and it just keeps getting better

Cause you and I baby we belong together  
I think about the winner  
Winner  
Cause you and I baby we belong together

I think about the winner winner
