Girl I saw your beacon  
Looking in my snickers  
Checking on my G-shot  
Do you want to be down?  
So write my number down  
Since she got my number she  
Been blowing your boy up  
So I went and scooped her up  
And then I took her out

Shorty owe me now  
Shorty started hugging on me, hugging on me,  
hugging on me  
Shorty started touching on me, touching on me,  
touching on me  
Then she started kissing on me, kissing on me, kissing  
on me  
Cause she fell in love  
Cause she couldn't get enough  
They call me  
Mr. Goodie Goodie  
When I'm â€¦  
She texted me on my phone  
Telling me she ought to know  
Mr. Goodie Goodie  
She following me on Twitter  
Reads â€¦ my messages  
Telling me boy  
Mr. Goodie Goodie  
She want to see me again  
Shouldn't be just a friend  
Staring â€¦  
Mr. Goodie Goodie  
Mr. Goodie Goodie  
Mr. Goodie Goodie  
Mr. Goodie Goodie

Shorty ain't a DJ  
Though she throw my record up  
Got my song on replay  
Even got me on the phone

As a ring tone  
Went over baby girl house  
She said her daddy was out  
Wanted to sit on the couch  
Is that what it's all about?

Shorty owe me now  
Shorty started hugging on me, hugging on me,  
hugging on me  
Shorty started touching on me, touching on me,  
touching on me  
Then she started kissing on me, kissing on me, kissing  
on me  
Cause she fell in love  
Cause she couldn't get enough  
They call me  
Mr. Goodie Goodie  
When I'm out of  
She texted me on my phone  
Telling me she ought to know  
Mr. Goodie Goodie  
She following me on Twitter  
Reads my messages  
Telling me boy  
Mr. Goodie Goodie

Shouldn't be just a friend  
Staring
