Girl I saw you peepin looking at my sneakers
Checking on my g shock
Do you wanna be down
So write my number down
Since she got my number she
Been blowing boy
Saw her when they scooped her
And then I took her out
Shawty on me now
Hook:
Shawty started hugging on me
Hugging on me, hugging on me
Shawty started touching on me
Touching on me, touching on me
Then she started kissing on me
Kissing on me, kissing on me
Then she fell in love â€™ cause she couldnâ€™ t get
enough
They call me mister goodie goodie
When her mama not at home
she texting me on my phone
Telling me she all alone
she call me mister goodie goodie
She following me on twitter
retweeting my messages
telling me boy I miss you
She call me mister goodie goodie
She wanna se me again
showing pictures to friends telling them that I'm her
man
She calls me Mister goodie goodie, mister goodie
goodie
Mister goodie goodie, mister goodie goodie
Shawty aint a dj is she throw my record up
Got my song on replay even got me on the phone
As a ringtone
Went over Baby girl's house
she said her daddy was out
Wanted to sit on the couch
is that what itâ€™ s all about
Shawty on me now
Shawty started hugging on me

Hugging on me, hugging on me
Shawty started touching on me
Touching on me, touching on me
Then she started kissing on me
Kissing on me, kissing on me
Then she fell in love 'cause she couldn't get
enough
They call em mister goodie goodie
When her mama not at home she texting me on my
phone
Telling me she all alone
she call me mister goodie goodie
She following me on twitter
retweeting my messages
telling me boy I miss you
She call me mister goodie goodie
She want to see me again
Showing pictures to friends
Telling them that I'm her man
She call me Mister goodie goodie, mister goodie
goodie
Mister goodie goodie, mister goodie goodie
I said hey hey
The Mrs. Fine you should come be Mrs. Mine
We connect, intertwine
