Oh no ooh yeah

She had me good 'cause she know I would love her all  
my life  
Didn't know, she was evil  
I believed her lies\* cause it felt so right put that on my  
life I didn't know  
She was evil.

Pre Chorus:

And I  
Close my eyes and imagine  
Never fell for her  
I think that it's time  
That I tell her that we're finished

Chorus:

If the devil had a sister  
I think I just kissed her goodbye  
I think she knows that I will miss her  
I just need her out of my life.

Won't you go back where you came from  
Go back where you came from  
Go back where you came from

She would call my phone tell me she was home  
Make believe she was tired  
Didn't know, she was lying  
She was chilling with him she was doing her thing  
While I slept at night I had a dream she was lying

Pre Chorus:

And I  
Close my eyes and imagine  
Never fell for her  
I think that it's time  
That I tell her that we're finished

Chorus:

If the devil had a sister

I think I just kissed her goodbye  
I think she knows that I will miss her  
I just need her out of my life.
