(Verse 1)

I seen her, she seen me we started talking  
and that was chemistry This girl is beautiful  
Sexy from head to toe Said she make her own  
dough So I had to let her know Told her in no  
time I gotta make her mine We'll be together  
forever She smiled and said she's mine

(Chorus)

And she's my go getter And that's why I'm with  
her Aye Aye Aye Aye She fine, she bad She's mine  
and u mad now I like her, she like me And that's why  
she's my girl That's my girl That's my girl My homies  
think I'm trippin' But I keep tellin' That's my girl That's  
my girl You can say what you want But that's my girl

(Verse 2)

Don't have to ask She just give it to me Her love is mine  
And you can't take her from me Unbreakable She  
unbelievable  
Yo, more than friends She stayed until the end Ur boy  
need a  
down chick She super fat She's super thick!

(Chorus)

Cause she's my go getter And that's why I'm with her  
She fine,  
She bad She mine and your mad now I like her, she like  
me  
And that's why she's mine girl (she mine) That's my girl

You can search the whole world But you'll never find  
Nothing  
like my girl (girl,girl,girl) U can say what u want But  
you'll  
never find Nothing like my girl

(Chorus)

She fine, She bad, She mine and your mad now I like  
her (aye)
