Hold up
Chorus: Yep, I'm almost famous
And the people from the hood can't claim us
And we the best in the state
So people don't hate
Cause we, we almost famous

Kid: Yep, I'm almost famous
Now ya can't ride around and put our soldiers down
Cause you and the hood can't shame us
I'm the good representing bad
I'm the hope for lil kids, happy or sad
I'm the rich for the poor
I'm the openin door
Trying to get lil kids do their thang
And then no
I'm not trying to be an idol
You have don't rap and do what I do
You can be a doctor, or a basketball player
Just follow your dream and collar-flip them haters
And tell them that you almost famous
What

Chorus:

I'm the wrath of the night
I'm a girl's Superman
When she getting beat up and doing what she can
I'm the police trying to help a lil kid
I'm the doctor when ya on the streets and ya tired of
getting sick
I'm a superstar
ridin too fast in the car
tellin everybody this is what you are
come on now

chorus:
