Jude's her name, she wears a a sign  
Says "in the morning's not the way u feel like u did the  
night you cried"  
So I say, "sleep it off babe!"  
She know's what she's talking about above all the  
clouds  
and the reasons for what she says

She says "Hello, Hello, is anybody Home?"  
Hello, Hello (or did you sell your soul?)  
Hello, Hello-I thought you wanted to be somebody, then  
be somebody

Jude sees  
The clothes you made  
All the stitches and you bitchin' about the things that  
didn't go your way  
So I say, "take em off babe!"  
Why r u holding on to the pain? So you can fuck it all up  
again?

She says "Hello, Hello, is anybody Home?"  
Hello, Hello (or did you sell your soul?)  
Hello, Hello-I thought you wanted to be somebody, then  
be somebody

What's the trip that you be on? I thought you wanted to  
be somebody (hello, hello?)  
And before you know it, it's all gone-I thought you  
wanted to be somebody (hello, hello?)

Why u holding' on to the pain?

She says "Hello, Hello, is anybody Home?"  
Hello, Hello (or did you sell your soul?)  
Pick it up and go (is anybody home?)  
Quit your bitch and moan (or did you sell your soul?)  
It's all you've done  
I thought you wanted to be somebody, then be  
somebody
