[Pound the love outta me, beat the love outta me] [Pound the love outta me, beat the love outta me]

Distant son, nova fucker Hit and run to another Took from you, from me Lash and caress in between Hit the target won an animal Got a piece, a trace, a slip inside Tore a page from the bind

Handed a twisted sadistic Wanted you to fix it Chant, cry, moan, lie Tender garden bang to dry

Pound the love outta me, beat the love outta me

Best I can do, pleasure/pain Too close to you, I'll blow your ash away Took from you, from me Brutally

Pound the love outta me, beat the love outta me [catch me if you can, butter a scent on your hand] Pound the love outta me, beat the love outta me [catch me if you can, butter a scent on your hand]

wigs, whips, chains tied you laughed, I cried

[wanted you to fix it] [chant, cry, moan, lie]

Pound the love outta me, beat the love outta me Pound the love outta me, beat the love outta me Pound the love outta me, beat the love outta me Pound the love outta me, beat the love outta me Pound the love outta me, beat the love outta me Pound the love outta me, beat the love outta me (all I wanted is all you wanted) Pound the love outta me, beat the love outta me (all I wanted is all you wanted)
