Oh you've exceed the limit
But I won't stop you
'Cause it's too late

But I don't mind
I think it's time
Look, we disagree
Yes you say I see

But time is not a disciple
Enough for you
Enough for me
You will see you travel by
It's not that easy

When I'm with you I'm just dizzy
But even if we disagree
Oh won't you please forgive me?
You say I'm down with my love
With you lying I'm fine
They say (x9)

Oh you've exceed the limit
But I won't stop you

'Cause it's too late woohoo

But I don't mind
There's still too much time
And I don't wanna say that
That I don't feel tired of
Loving around loving around
I don't feel tired of
Loving around loving around
I don't feel tired of
Loving around loving around
Do you?

When I'm with you I'm just dizzy
But even if we disagree
Oh won't you please forgive me?

You say 'I'm down with my love,
With you lying. I'm fine
They say (x9)
