How could you leave me to stand here  
All alone  
And think that I'll turn around  
You know that's not my kind  
I won't turn around  
It's not my kind

You're the keeper of all my butterflies  
But baby, they cannot fly  
Not without you  
By my side  
By my side

You're a wonder of cold-blooded nature  
But however  
Your aggressive tenderness  
Is all I want, all I need  
All I want  
Burning,  
Dreaming,  
Hoping (3X)

For your love  
You're the keeper of all my butterflies  
But baby, they cannot fly  
Not without you  
By my side  
By my side

You're a wonder of cold-blooded nature  
But however  
Your aggressive tenderness  
Is all i want, all i need  
All I want

Burning,  
Dreaming,  
Hoping

Burning,  
Dreaming (4X)
