Running down the stairs
I heard your voice
my body shakes
There is no place to run
No place to hide
my body shakes
Running down the stairs
I saw your face
my body shakes
IÃfÂçâ, -Â™ m afraid to turn
Afraid to go
my body shakes
IÃfÂçâ, -Â™ m losing my mind
There is nothing behind
Only dark walls and deep holes in my soul
IÃfÂçâ, -Â™ m walking through the dark
I heard your breathing
and then silence
Then I started to scream
But itÃfÂçâ, -Â™ s useless
and then silence
IÃfÂçâ, -Â™ m walking through the dark
Looking for a bright hole
and the silence
IÃfÂçâ, -Â™ m talking to myself,
Is there salvation
and then silence

IÃfÂçâ, -Â™ m losing my mind
There is nothing behind
Only dark walls and deep holes in my soul
Strange things happened
I got this thing running my mind
And I felt it every day
How long will it take?
To run around, to be found?
