You can cuss the daylights  
Outta this pale winter moon  
We could ponder every reason  
Why your true love was untrue

You can cry your eyes out  
I've got a shoulder here for you  
And everyday your broken heart  
Is gonna turn a lighter shade of blue

'Cause anyone can be somebody's fool  
Oh, look at me, I once was a fool for you  
So, you know it's true  
Anyone can be somebody's fool

Out in this lonely town  
There's a lovely silver frost  
So, we could stop and have another round  
For the true love that you've lost

It's gonna take a little time  
Before your emptiness grows old  
And underneath that silver frost  
You've still got a heart of gold

'Cause anyone can be somebody's fool  
Oh, look at me, I once was a fool for you  
So, you know it's true  
Anyone can be somebody's fool

Hey, when this winter's over  
You're gonna walk knee deep in clover  
And your heart 'round the corner  
And you're gonna feel brand new

'Cause anyone can be somebody's fool  
Oh, look at me, I once was a fool for you  
So, you know it's true  
Anyone can be somebody's fool

You know it's true  
Anyone can be somebody's fool

You know it's true  
Anyone can be somebody's fool
