After you go  
I can catch up on my reading  
And after you go  
I'll have a lot more time for sleeping

And when you're gone  
Looks like things are gonna be a lot easier  
Life will be a breeze, you know  
I really should be glad

But I'm bluer than blue  
Sadder than sad  
You're the only light  
This empty room has ever had

Life without you is gonna be  
Bluer than blue

And after you go  
I'll have a lot more room in my closet  
After you go  
I'll stay out all night long if I feel like it

And when you're gone  
I can run through the house screaming  
And no one will ever hear me  
I really should be glad

But I'm bluer than blue  
Sadder than sad  
You're the only light  
This empty room has ever had

Life without you is gonna be  
Bluer than blue

I don't have to miss no TV shows  
I can start my whole life over  
Change the numbers on my telephone  
But the nights will sure be colder

'Cause I'm bluer than blue

Sadder than sad  
You're the only light  
This empty room has ever had

Life without you is gonna be  
Bluer than blue  
Bluer than blue  
Bluer than blue
