"I Still Miss Someone"

At my door the leaves are fallin'
A cold wild wind will come
Sweet hearts walked by together
And I still miss someone

I go out on a party
To look for a little fun
But I find a darkened corner
Because I still miss someone

Oh, I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there

I wonder if she's sorry
For leaving what we begun
There's someone for me somewhere
But I still miss someone

Oh, I never got over those blue eyes
I see them everywhere
I miss those arms that held me
When all the love was there

At my door the leaves are fallin'
A cold wild wind will come
Sweet hearts walked by together
And I still miss someone
And I still miss someone
