Are you sleeping now? It's midnight in Missoula
Where the Black Hills know your name
Is the snow piled high around your window frame?
Is there enough frost left to write our names upon the
pane?

Are you sleeping now?
It's midnight in Missoula
Are you sleeping now?
It's midnight in Missoula

I am down in Rio where I cannot find the sky
Our savior on that mountain top has taught my soul to
fly
I am singing Gershwin and children's lullabies
Wondering of you and if you're sleeping in Missoula
tonight

Are you sleeping now?
It's midnight in Missoula
Are you sleeping now?
It's midnight in Missoula

Love to climb your hilltop and look out upon Missoula
lights
Sing Samuel Barber melodies with your viola sweet and
high
I am off to Liverpool on an early evening flight
Wondering of you and if you're sleeping in Missoula
tonight

Are you sleeping now? It's midnight in Missoula
Where the Black Hills know your name
Is the snow piled high around your window frame?
Is there enough frost left to write our names upon the
pane?

Are you sleeping now?
It's midnight in Missoula
Are you sleeping now?
It's midnight in Missoula

Are you sleeping now?
Do you know how much I love ya?
Are you sleeping now?
It's midnight in Missoula
