I'm sleepin' less in L.A.  
Dreamin' of days yet to come  
I don't care what you say  
I know that those days will surely come

And I'm wakin' and I'm callin'  
I'm shakin' and I'm fallin'  
And oh, little darlin'  
I wonder when those sweet dreams will come

There's a hole in the sky  
That was made by my right guard last night  
Oh, and then there's you and I  
Assuring that everything's alright

We are nursing, pretending  
Cursing then defending  
And yet it's never ending  
Makes ya' wonder when those sweet dreams will come

I am lookin' for some love  
I guess that's why people buy dogs  
Is there someone up above?  
And I wonder is the captain keeping logs

I am cursing and I'm praying  
Not knowing what we're saying  
And yet, it's everydaying  
And I wonder when those sweet dreams will come

I feel like a fire  
In the morning when the fire is out  
I am walking on the wire  
And the wire's what the whole thing is about

The pretender is thinning  
Surrender is winning  
And yet, it's a beginning  
To feel like those sweet dreams will come

The pretender is thinning  
Surrender is winning

And yet, it's a beginning  
To feel like those sweet dreams will come

And oh, little darlin'  
Don't ya wonder when those sweet dreams will come  
Oh, sweet dreams will come  
Oh, sweet dreams will come  
Oh, sweet dreams will come  
Oh, sweet dreams will come  
Oh, sweet dreams will come
