(By Jimmie Gilmore & John Reed)

Tonight I think I'm gonna go downtown  
Tonight I think I'm gonna look around  
For something that I couldn't see  
When this world was more real to me  
Tonight I think I'm gonna go downtown

My love, my love has gone away  
My love, my love what can I say  
My love would never see  
That this world's just not real to me  
Tonight I think I'm gonna go downtown

I told my love a thousand times  
Why I can't say what's on my mind  
But he would never see  
That this world's just not real to me  
And tonight I think I'm gonna go downtown
