I'm sitting in a classroom, bored to death; I'm
falling asleep.
Are these teachers in front of me ? or just your
puppets on a string?
Do you even know the lies that you're telling me?
Have you learned what you teach?
You've accepted their bullshit long ago. You forgot
you're on your knees.

Teacher, Teacher, teach the truth.
Got your story, Don't got your proof.
Teacher, Teacher, what do you say? Wasn't listening
anyway.

I'm sitting in a classroom bored to death and what do
I see?
Piles of lies sold in textbook form, just to train
mentalities.
So I take a stand. Get out of my seat;
cause these meathead, macho football coaches
brainwash
but they can't teach.

Teacher, Teacher, teach the truth.
Got your story, Don't got your proof.
Teacher, Teacher what do you say?
Wasn't listening anyway.
Classroom Blues
[x2]

I'm sitting in a classroom bored to death I'm falling
asleep.
Are these teachers in front of me or just your puppets
on a string?
But I won't be your sucker. But I won't be your
slave.
Hold me down with your propaganda and we'll burn
down
the library.

Teacher, Teacher, teach the truth.

Got your story, Don't got your proof.
Teacher, Teacher what do you say?
Wasn't listening anyway.
Classroom Blues
