If I'm so evil why are you satisfied?
If I'm so evil why are you satisfied?

I had a dream about your ghost
You're breathing down my neck
Baby it starts in the shower
For letting your ashes down the drain

You were telling me how
This ain't no Rodeo Town
I caught the gun
But you made me set it down

You were telling me how
This ain't no Rodeo Town
I caught the gun
But you made me set it down

If I'm so evil why are you all satisfied?
If I'm so evil why are you satisfied?

When you left you said
I'm gonna keep an eye on you
Well I don't mind if you do
But you can't keep quiet

You were telling me how
This ain't no Rodeo Town
I caught the gun
But you made me set it down

You were telling me how
This ain't no Rodeo Town
I caught the gun
But you made me set it down

You were telling me how
This ain't no Rodeo Town
I caught the gun
But you made me set it down

You were telling me how

This ain't no Rodeo Town
I caught the gun
But you made me set it down
